

ASLON® BEVELED RUBBER TILES

The beveled rubber tiles offer a safe and functional solution as edging for playgrounds. The beveled edge reduces tripping hazards, allowing children to play carefree.

Moreover, these rubber tiles are ideal for creating an accessible play environment; wheelchairs, strollers and bicycles can enter the playground without any problems

Our range consists of beveled tiles and matching corner tiles, for a sleek and neat finish to any playground.

FALL-BREAKING

The beveled rubber tiles meet the most strict standards for fall protection in accordance with N1177:2018

SOUND REDUCING

The rubber helps reduce contact noise and vibrations.

SUSTAINABLE

The tiles are made from recycled rubber granules and are fully recyclable after use.
