

ASLON® RUBBER CUBES

Safety is paramount when installing playgrounds.
A rubber cube is a versatile and playful object
made from recycled rubber.

It stimulates motor skills and can serve as a play and seating element in playgrounds. The anti-slip surface allows children to play and sit safely on it. With a rubber cube, children can enjoy creative play and comfortable support.

SHOCK ABSORBING

The rubber helps absorb bumps and shocks.

PROTECTION

The rubber cube provides a softer finish on hard edges.

SUSTAINABLE

The cubes are made from recycled rubber granules and are fully recyclable after use.
