

# ASLON® RUBBER SLEEPERS

**Safety is paramount when installing playgrounds.**  
**The rubber sleepers are versatile in use and can be used as sandbox and playground edging.**

They offer protection against hard surfaces and provide a comfortable edge. They must be glued together with the adhesive cartridge and are available in 3 colors, black, red and green.

## SHOCK ABSORBING

The rubber helps absorb bumps and shocks.

## PROTECTION

The rubber edging provides a softer finish to hard edges.

## SUSTAINABLE

The sleepers are made from recycled rubber granules and are fully recyclable after use.
